ICSEI 2025 Abstract Submission Guidelines and Evaluation Criteria

Abstract Submission Guidelines

1. **Template**: All abstracts must follow the template provided at this link: [ICSEI](#) [Abstract](#) [Template](#).
2. **Submission**: Abstracts must be submitted via email to **publications@icsei.ca**.
3. **Word Limit**: Abstracts should not exceed **300 words**.
4. **Acronyms**: The full term must be provided before introducing an acronym in parentheses (e.g., International Conference on Social Entrepreneurship and Innovation (ICSEI)).
5. **Content Limitations**: The abstract should exclude the following:
   o Historical data or literature reviews.
   o Bibliographies, references, or citations.
   o Photographs, graphs, or any mention of corporate support.

Abstract Evaluation and Selection Criteria

1. **Background**
   o Demonstrates a thorough understanding of existing literature.
   o Effectively links the research to relevant prior studies or knowledge.
2. **Clarity of Purpose**
   o Clearly defines the primary objective of the research.
   o Highlights the significance and relevance of the research problem.
3. **Scientific Methodology**
   o Employs appropriate and robust research methods.
   o Clearly identifies significant variables.
   o Provides a detailed and coherent explanation of the methodology.
   o Justifies the analytical approach, ensuring it is both appropriate and clearly explained.
4. **Results**
   o Provides a concise and relevant presentation of the data.
5. **Conclusions**
   o Accurately interprets the results of the study.
   o Offers thoughtful and feasible recommendations for education, practice, or policy.
6. **Presentation**
   o Demonstrates clarity, precision, and professionalism in writing.

Submissions will be rigorously evaluated against these criteria to ensure alignment with the high academic standards of ICSEI 2025. Authors are encouraged to adhere strictly to these guidelines to facilitate a smooth review process.
